STIPULATED EXTENSION OF TIME

IT IS HEREBY STIPULATED AND AGREED by and between the undersigned attorneys for the plaintiffs and for the defendants that the time for defendants to answer, move or otherwise respond with respect to the Complaint herein may be extended from February 9, 2008 up to and including February 29, 2008. No previous extension has been requested or granted. The extension is necessary because Defendants have only recently retained counsel to represent them in this action, and said counsel requires the additional time to prepare an appropriate response and explore the possibility of settlement. Counsel for both parties consent to this requested extension.
